

# A Heavenly Holiday Gift Idea and a Perennial Best-Seller!

IPM 7855

STEVEN HALPERN

## *Gifts of the Angels*

“Steven’s celestial music is remarkably relaxing and soothing, like a beautiful loving hug from your guardian angels.”

— DOREEN VIRTUE, PH.D, best-selling Hay House author and world-renowned authority on angels

- GIFTS of the ANGELS is especially popular during the holidays!
- Steven’s most celestial music in one outstanding collection
- Each song features the sound of an angelic choir
- Also features grand piano, electric piano, harp and flute
- This album is the featured soundtrack chosen by many Hay House best selling authors like

Doreen Virtue, Carolyn Myss, Brian Weiss and Denise Linn (Hay House Radio)

- Each song features ‘angelic assistance’ — when the recording studio filled with a very special light

STEVEN HALPERN is the world’s leading composer of music for healing and well-being. His music radiates energies of love and light.
