

The healing power and beauty of
STEVEN HALPERN'S music reaches new heights.
Sure to be his new best-seller!" — *Leading Edge Review*

IPM 8033

STEVEN HALPERN *Relaxation Suite*

"If Yo-Yo Ma and Herbie Hancock* made a New Age album, it might sound like this."
Gorgeous sound, inspired musicianship and incredibly effective, RELAXATION SUITE sets a new standard of excellence in the field of sound healing and music for well-being.

- RELAXATION SUITE joins the essential flagship titles from the artist who pioneered the relaxation music genre 33 years ago
- Steven Halpern — often imitated, never equalled!
- Featuring Grammy® nominee David Darling on cello
- The duets of cello and electric piano are instant classics, with serious airplay potential
- Their soaring melodies create majestic cathedrals of sound — a must-add to playlists of all kinds
- Additional tracks features shakuhachi (Japanese bamboo flute) and silver flute
- Tension and stress melt away as if by magic
- Sure to please existing fans and attract a large audience of new fans

STEVEN HALPERN is an award-winning composer and recording artist whose music is used in yoga, massage and integrative health centers worldwide.

* Little known historical factoid: Grammy® winner Herbie Hancock introduced Steven to the Rhodes electric piano that changed his life when Steven's band opened for Herbie at the Both/And jazz club (San Francisco 1969).

DAVID DARLING is a Grammy® nominated world-renowned cellist, composer and former member of the Paul Winter Consort.

Other artists include:
Jorge Alfano: Bamboo flute
Schawkie Roth: Alto flute
Betinne Ware: Silver flute
Georgia Kelly: Harp
