STEVEN HALPERN Paradigm Shift

He created a *paradigm shift*
with his first album in 1975.
Thirty five years later,
he’s done it again!

‘Halpern is one of the most
influential artists who changed the
way we make and listen to music.’

— *Keyboard* magazine

- ★ Title track redefines Steven’s orchestral approach to grand piano and ethereal textures.
- ★ Special guest: **MICHAEL MANRING** (virtuoso bassist of Windham Hill fame)
- ★ Featured track “First Kiss” features a seductive groove and *melodic hook* that will leave you humming long after the music ends!
- ★ Manring’s amazing bass lines and ‘singing’ string harmonics add a spectacular dimension to the mix.
- ★ Worldwide sales over 7 million albums.
- ★ More than any other healing music artist!

STEVEN HALPERN is internationally renowned as the founding father of New Age healing music.

He continues to set the gold standard for audio excellence and entraining ‘the healing feeling.’

MICHAEL MANRING is a virtuoso bassist whose innovative techniques and mastery of special effects have garnered him worldwide acclaim and multiple Grammy® nominations.
